Early Childhood Program at Burlington Catholic School

Standards for Early Childhood:

All early childhood classes at BCS follow a program called the Wisconsin Model for Early Learning Standards (WMELS):

<https://dpi.wi.gov/sites/default/files/imce/fscp/pdf/ec-wmels-rev2013.pdf>.

This program is a student-centered, hands-on program that uses a series of standards that focus on the domains of health and physical development, social and emotional development, language development and communication, different approaches to learning based on student interest and need, and cognition and general knowledge.

Registration Information:

All families register through our online registration portal: PowerSchool Registration. Online registration begins in January. New families will complete two different rounds of paperwork online. The first round asks basic information about the student. Once approved through admissions, a second-round link will be emailed to the family which includes emergency contact information. Once both rounds are complete, a \$100 family registration fee will be paid to the office to hold the student's spot. **If received prior to March 17th, that \$100 goes directly towards tuition!**

Admission Requirements:

Admission requirements are determined by the Archdiocese of Milwaukee, and therefore, birthdates must be verified by the office using a birth certificate or passport. Early admission is very rare and must be approved by administration.

Three Year Old Preschool (pick-a-day):

Must be 3 years of age on or before September 1st in the year he or she proposes to enter school.

Must be fully potty trained

Four Year Old Preschool (pick-a day):

Must be 4 years of age on or before September 1st in the year he or she proposes to enter school.

Must be fully potty trained.

Four Year Old Preschool (five day, full day):

Must be 4 years of age on or before September 1st in the year he or she proposes to enter school.
