# BCS Candle Tins

Our 4 oz pure soy candles are hand-poured in small batches in Lake Geneva, WI. Each candle is scented with fragrance oils that are phthalate-free. We use only high-quality, cotton, zinc free wicks.- Haverly + Co

*Fraser Fir:* Our true-to-life Fraser Fir soy candle begins with top notes of cypress + zesty lemon peel that fold into woody mid notes of evergreen and cedar. The rich base of fir, amber, + moss evokes fond memories of decorating a freshly-cut Christmas tree. Fraser Fir is perfect for setting a festive holiday mood or creating a cozy ambience for a quiet winter evening by the fire.

*Cranberry Marmalade:* A rich, luscious blend of tart cranberry sauce + apple jam, highlighted with crushed cinnamon sticks + a hint of spices + sugar.
