Home & School Holiday Projects

Holiday Heroes: Teacher Edition

Thank you to all who participated in blessing the staff with wish list items from their teacher trees! Gifts were due back to school this week to celebrate the Epiphany on January 6th.

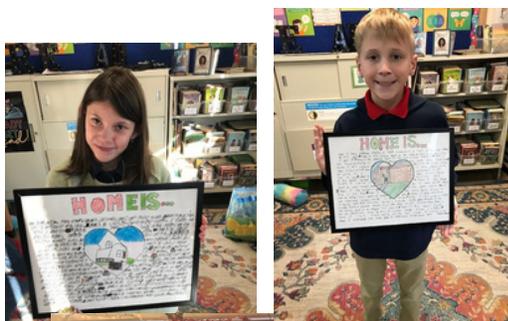

We hope the students had fun this year at **Holiday Shoppe**. We enjoyed spending the week before Christmas with them. We were so glad to have so many families join us to shop after school too! Thank you to all who came out.

Grade Level Support

Congratulations to the 3rd and 5th graders on completing their Holiday Projects!

Third graders researched and presented their "Christmas Around the World" projects and fifth grade made their "Home Is" projects in December.

Home & School supplied frames for 5th graders and all of the poster boards for 3rd grade.
